

## **PANAVID ANNOUNCES LEASING PARTNERSHIP**

PanAVid, Inc Chooses Leasing Partners Capital Inc. as Financing PartnerPanAVid, Inc. of Pompton Plains, NJ, a premier audio production services company, has selected Leasing Partners Capital Inc. (LPC) of Wayne, NJ, a leading technology and equipment leasing company, as its financing partner, to bring flexible financing solutions to PanAVid's customers. These solutions will be available to customers purchasing major systems installations designed, engineered and installed by PanAVid.

"I am confident that Leasing Partners Capital has not only the financial resources, but also the customer-friendly flexibility and cooperation that will bring PanAVid and its customers great value," said Walter Loehr, President and owner of PanAVid, Inc. Mr. Loehr said that PanAVid has found in LPC "the kind of financing partner that will fit well with our standards for quality and integrity in all of our customer relationships".

Rob Mayer, Director of Vendor Development at Leasing Partners Capital, stated that "LPC is delighted to have this new relationship with Walter and PanAVid, and we look forward to working with them to enhance their offerings to major systems customers. PanAVid is a great addition to the other leading firms with whom LPC has vendor agreements."

PanAVid provides audio, video, and lighting solutions to a wide range of customers, including corporations, schools and churches. In addition, they provide audio production services to meet the sound reinforcement needs of events such as corporate meetings, presentations, concerts, and special events. Panavid can be contacted at (973) 831-5655, or e-mail [mail@panavid.com](mailto:mail@panavid.com).

Leasing Partners Capital Inc. is a leading equipment and technology leasing company based in Northern New Jersey. The company operates 21 field offices throughout the United States.
