

Panavid Offers Shure Wireless and Galaxy Headset Mic Rentals

Panavid has purchased Shure SLX wireless and Galaxy headset mics for our clients that need good quality products for their rental needs. The Shure wireless can be rented alone, or with our Galaxy headset mics, which are geared for performance needs such as school plays and religious events. According to Rob Loehr at Panavid, "These Shure wireless and Galaxy headset mics are a new option at Panavid for rental. Many of our church and school clients can take advantage of these lower cost, but great quality, systems for their plays and holiday performances." Contact Panavid at 973-831-5655 or mail@panavid.com to get rental pricing.
